Hello.

Attached is the agenda for the Aerojet meetings next week—no time changes on Weds.

Dan, please plan to call in and attend from 9-4 on Weds, 19 July.

Liv, please plan to call in and attend from 9-11 on Weds, 19 July.

Daewon will be calling in for the 9-11 portion on Weds, 19 July also.

Chris, could you please send Dan/Liv/Daewon a webinar invite if we'll be going over maps and such during the discussions?

Thank you!
Lynn

Lynn and Daewon,

Please see attached our draft Agenda for the 2-day tech meeting later this month. I have added Mark's groundwater topics for July 20th.

Please feel free to forward to your consultants. Let me know if there are any items you would like added to the schedule.

Thanks,

Lynn,

Please see attached the draft Agenda. I will forward an updated copy once I receive groundwater topics from Mark for the second day of the meeting.

Let me know if you would like any topics added or amended.

Thanks,

Peter Kvam

Subject: [EXTERNAL] Schedule for 19-20 Aerojet meetings

Hi, Chris.

Can you please get an agenda together for the 19th (and 20th if needed) so I can recruit any support needed from Dan, Matt, legal, my consultants, etc?

Liv should call in or attend the partial deletions portion in addition to me, and possibly Daewon.

Also, please let me know when the F&T discussions are planned.

I'd like travelers and callers to get times on their schedules asap.

Thanks,

Lynn
